Letter of Guarantee

3/29/16

This Letter of Guarantee certifies that *Sany+ GLDI-500 Scent Free Concentrated Disinfectant* is safe for its intended use as a quaternary ammonium-based multi-purpose cleaner and disinfectant.

GreenLABS Chemical Solutions, with manufacturing and headquarters located at 851 Progress Court, Oakville, ON L6L 6K1 Canada, guarantees that the above-mentioned product is safe and suitable when it is used according to its label. *Sany+ GLDI-500 Scent Free Concentrated Disinfectant* will neither adulterate food product nor create insanitary conditions if used in accordance with directions for use.

Sany+ GLDI-500 Scent Free Concentrated Disinfectant is similar to other products that meet the criteria of a USDA category **A1: general cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments.**

Before using this product, food products and packaging materials must be removed from the room or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.

Sany+ GLDI-500 Scent Free Concentrated Disinfectant is similar to other products that meet the criteria of a USDA category **C1: Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas.**

Sany+ GLDI-500 Scent Free Concentrated Disinfectant is similar to other products that meet the criteria of a USDA category **D1: Sanitizers, disinfectants and sanitizing cleaners for all surfaces. Potable water rinse required.**

When using cleaning compounds in food processing areas, read and follow label directions for use carefully.

GreenLABS Chemical Solutions will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Sincerely,

A handwritten signature in black ink that reads "John Zupan". The signature is written in a cursive style with a large, looping initial "J".

John Zupan
Technical and Innovation Director
