## *Letter of Guarantee*

3/29/16

This Letter of Guarantee certifies that *Sany+ GLDI-H2O2 General Purpose Disinfectant/Cleaner* is safe for its intended use as a hydrogen peroxide-based multi-purpose cleaner and disinfectant.

GreenLABS Chemical Solutions, with manufacturing and headquarters located at 851 Progress Court, Oakville, ON L6L 6K1 Canada, guarantees that the above-mentioned product is safe and suitable when it is used according to its label. *Sany+ GLDI-H2O2 General Purpose Disinfectant/Cleaner* will neither adulterate food product nor create insanitary conditions if used in accordance with directions for use.

*Sany+ GLDI-H2O2 General Purpose Disinfectant/Cleaner* is similar to other products that meet the criteria of a USDA category **A1: general cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments.**

Before using this product, food products and packaging materials must be removed from the room or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.

*Sany+ GLDI-H2O2 General Purpose Disinfectant/Cleaner* is similar to other products that meet the criteria of a USDA category **C1: Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas.**

*Sany+ GLDI-H2O2 General Purpose Disinfectant/Cleaner* is similar to other products that meet the criteria of a USDA category **D1: Sanitizers, disinfectants and sanitizing cleaners for all surfaces. Potable water rinse required.**

When using cleaning compounds in food processing areas, read and follow label directions for use carefully.

GreenLABS Chemical Solutions will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the product is safe and/or suitable for use as intended.

Sincerely,

A handwritten signature in black ink that reads "John Zupan". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

John Zupan  
Technical and Innovation Director
