

GLF-402

FLOOR FINISH / LOW FREQUENCY MAINTENANCE

GLF-402 is a polymer-based floor finish developed using new technology. This finish is applied without the need for a sealing agent. It is exceptionally resistant to wear and scuff marks. GLF-402 is versatile and can be used on all types of flooring including tile, natural stone, and terrazzo.

FEATURES, ADVANTAGES AND BENEFITS

- High shine with depth effect
- Low odor – clear film – excellent durability
- Low maintenance
- High quality polymer giving high level of performance
- Dries quickly
- Cured finish does not yellow in natural light
- Good adhesion (does not slip)
- Low frequency polishing (hard finish)
- Exceptional resistance to wear and heel marks
- No ammonia, no NPE (nonyl phenol ethoxylate)
- No flammable solvent
- Rapidly biodegradable

DIRECTIONS FOR USE

Apply the floor finish as needed. Let each layer dry before applying the next. Clean with a neutral detergent. This finish, if desired, can be polished at high speed with a blue blend buffer pad.

FOR BEST RESULTS

Do not dilute the product. Do not apply product if flooring and/or ambient temperatures are less than 13°C (55°F). Do not return unused finish to the original container to avoid contamination.

SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at greenlabscs.com or by calling 1-800-921-5527. Improper use may result in damage or injury.

Description	
Physical State and Appearance	Opaque liquid
Color	Milky white
Sediment	None
Odor	Characteristic
pH (concentrated)	7.20 – 7.40
Specific Gravity	1.02 – 1.05
Flash Point	None

Product Code	Package Size
GLF-402-4S4	4 X 4L Bottles
GLF-402-10S2	2 X 10L Bottles

Your Partner In Making Sustainable Healthy Environments

We are committed to ensuring our cleaning solutions make your workplace clean, green and healthy – while reducing costs, enhancing employee safety, and promoting the sustainability of your cleaning, facility care and sanitation process.
