

# GLF-405

## LOW ODOR POWER STRIPPER

An aggressive, concentrated, high-performance floor stripper that does not give off offensive odors associated with other strippers. GLF-405 is designed for use in schools, healthcare facilities, nursing homes, and all other areas where sensitivity to chemical odor is a concern. It works well on conventional or 'green' floor finishes instantly, whitening by re-emulsifying.

### FEATURES, ADVANTAGES AND BENEFITS

- Biodegradable
- No phosphates, EDTA, NPE, halogenated solvent
- Very low odor – ideal for confined spaces

GLF-405-4S4

GLF-405-10S2

# GLF-405 LOW ODOR POWER STRIPPER

## DIRECTIONS FOR USE

Using a mop, apply generously to floor, allow the solution to work for 5 to 10 minutes (Do not let the solution dry out). Agitate with a brush, an abrasive buffer, or an automatic stripper until the floor finish is completely removed. Use a wet-vac to pick up stripper solution. Complete the task by rinsing the surface with a neutralizing product and rinsing again with water until the stripping residue is eliminated.

## DILUTION RATIOS

Task	Mop
Light	1:16
Medium	1:12
Heavy duty	1:8

Description	
Physical State and Appearance	Clear, transparent liquid
Color	Red
Sediment	None
Odor	Nil
pH (concentrated)	11.20 – 11.50
Specific Gravity	1.05 – 1.08
Flash Point	None

## SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at [greenlabscs.com](http://greenlabscs.com) or by calling 1-800-921-5527. Improper use may result in damage or injury.

Product Code	Package Size
GLF-405-4S4	4 X 4L Bottles
GLF-405-10S2	2 X 10L Bottles

## Your Partner In Making Sustainable Healthy Environments

We are committed to ensuring our cleaning solutions make your workplace clean, green and healthy – while reducing costs, enhancing employee safety, and promoting the sustainability of your cleaning, facility care and sanitation process.
