

# GLF-413

## SPOT TREATMENT

GLF-413 is a specially formulated spot treatment for carpet cleaning. It extracts stains from carpets without damaging the fibers or leaving a sticky residue. It is also pleasantly scented and leaves a jasmine fragrance in the room after cleaning. This cleaner is compatible and safe for all types of carpet.

### FEATURES, ADVANTAGES AND BENEFITS

- No EDTA
- No phosphates
- No VOC
- Biodegradable
- No NPE
- Powerful, solvent-free formula

GLF-413-710S12

# GLF-413 SPOT TREATMENT

## DIRECTIONS FOR USE

Prepare the carpet by vacuuming to remove particles and dirt. Spray all stains generously with GLF-413 Spot Treatment and leave product to penetrate carpet for several minutes. Follow with carpet extraction cleaning.

## DILUTION RATIO

Product is ready to use by spraying.

## SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at [greenlabscs.com](http://greenlabscs.com) or by calling 1-800-921-5527. Improper use may result in damage or injury.
