

GLK-907

DISHWASHING DETERGENT (APPLE SCENT)

GLK-907 is a concentrated dishwashing detergent that rapidly dissolves greasy residue and easily removes food deposits on dishes. GLK-907 leaves dishes sparkling clean and doesn't leave a soapy film on porcelain or glass. Pleasantly scented, GLK-907 also takes care of heavy-duty tasks such as cleaning dirty pots with stuck or crusted-on food.

FEATURES, ADVANTAGES AND BENEFITS

- Biodegradable according to OCDE
- No nonylphenols
- No formaldehyde
- Phosphate-free

GLK-907-740S12

GLK-907 DISHWASHING DETERGENT (APPLE SCENT)

DIRECTIONS FOR USE

Add between ½ and 2 ounces of GLK-907 per gallon of hot water. It is best to add dish detergent before adding water in order to allow the product to better dissolve. Do not use in automatic dishwashers.

SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at greenlabscs.com or by calling 1-800-921-5527. Improper use may result in damage or injury.
