

# KUISINA K18

## POT AND PAN DETERGENT

KUISINA K18 is an ultra-concentrated detergent that rapidly dissolves greasy residue and easily removes food deposits on pots and pans. It is specially developed for heavy-duty scrubbing jobs but also works wonders on glass and porcelain.

### FEATURES, ADVANTAGES AND BENEFITS

- No phosphates
- Biodegradable

K18-4S

# KUISINA K18 POT AND PAN DETERGENT

## DIRECTIONS FOR USE

Add between ½ and 2 ounces of KUISINA K18 per gallon of hot water. It is best to add dish detergent before adding water in order to better allow the product to dissolve. Do not use in a dishwasher.

## SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at [greenlabscs.com](http://greenlabscs.com) or by calling 1-800-921-5527. Improper use may result in damage or injury.

Description
