

OVI-CHOC

DRAIN CLEANER (BIOTECHNOLOGY)

OVI-CHOC is an enzyme based product which erodes grease and all other organic residue in drains and pipes. This product is also effective at controlling bad odors caused by the accumulation of decomposing organic matter.

FEATURES, ADVANTAGES AND BENEFITS

- Biodegradable
- Non-corrosive
- No noxious odors
- Does not damage surfaces or pipes
- Neutral pH
- Safe for the user

OVI-CHOC-4S

OVI-CHOC DRAIN CLEANER

DIRECTIONS FOR USE

OVI-CHOC is simple to use, simply pour 250 ml a day for 3 days down the drain or pipes to be treated. Avoid running water for several hours to allow the product to act. For preventative treatment, pour 250 ml of OVI-CHOC every week. Shake before using.

SAFETY REMINDER

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at greenlabscs.com or by calling 1-800-921-5527. Improper use may result in damage or injury.
